

# America's Return to God: The Covenant Roadmap

This roadmap outlines a theological and historical framework for renewing the United States' formal civil covenant with God. By moving through a defined operational model, the initiative seeks to restore divine protection and realign the nation with its founding purpose.

## The Executive Framework

(5-W Model)

### WHO & WHAT:

National leadership and the American remnant renewing a historic civil covenant through rededication.

### WHEN & WHERE:

A providential 'Jubilee moment' on **May 17**, centered in Washington, D.C. with national participation.

### WHY:

To restore covenantal blessing, national protection, and moral clarity through obedience to God.

Adapted from "Pray America Great" (book)

## STAGE 1: Repentance

Personal, ecclesial, and national acknowledgment of sin to clear the path for renewal.

## STAGE 2: Re-Covenanting

Re-affirming allegiance and the foundational principles of the First Landing, Mayflower Compact, the Declaration of Independence, and our Constitution.

## STAGE 3: Restoration

The final result of renewed constitutional order, preserved freedom, and national blessing.
